Hitachi Sales (Malaysia) Sdn Berhad is the marketing arm of Hitachi consumer electronic products such as electrical home appliances. The company was established in 1972 with one sales office in Petaling Jaya, Selangor. As at 31 March 2014, the company now operates five main services centres in Penang, Ipoh, Kuantan, Johore and Kuching. The company services hub has several service points all over the country named as Hitachi Authorized Service Shop (HASS) and Hitachi Authorized Service Agent (HASA). Since its establishment, the same philosophy has been carried on to ensure "customer satisfaction" Initially, without any local based factory, the company could only market products manufactured mainly in Japan. In 1989, with the establishment of its related party Hitachi Air Conditioner Products (Malaysia) Sdn Bhd in Bangi, Selangor, the company is now able to provide locally manufactured goods as well as imported goods from Japan and Thailand.

Global CyberSoft is a leading global IT solutions provider founded in the US in July 2000, acquired by Hitachi Consulting in 2014. We provide a wide range of IT solutions & services, including New Technologies solutions – SmartAgri & Smart Traffic, Smart Manufacturing, Enterprise solutions (ERP/HCM/BI), Retail & Distribution solutions, Testing & Validation and Outsourcing services.

Global CyberSoft is committed to delivering the highest quality for our clients and following international standards and best practices, such as ISO-9001, ISO 27001 and CMMI Level 5. Our achievements have also been recognized by being awarded numerous prestigious awards over the years, such as the Sao Khue Award (2012 - 2018), Vietnam Gold Medal & Top 5 ITO Company (2012 - 2017) and Vietnam’s 30 Leading IT Companies (2014 - 2018).
Hitachi Group of Companies in Myanmar

Yangon
1. Hitachi Asia Ltd. (Myanmar Branch)
2. Hitachi Elevator (Myanmar) Co., Ltd.
3. Hitachi Soe Electric & Machinery Co., Ltd.
Hitachi Asia Ltd. (Myanmar Branch) was established in November 2012 to explore the potential business opportunities for ‘Social Innovation Business’ that it is promoting globally. Hitachi has long contributed to the development of social infrastructure in Myanmar. Notably, the company has supplied power generation equipment to local power plants since the 1950s. At the same time, the group aims to contribute to the sustainable growth of Myanmar.

Hitachi Elevator (Myanmar) Co., Ltd. was established in July 2015. We aim to contribute to the society through the development of original technology with our one stop service for Elevators and Escalators, which includes Sales, Engineering, Installation & Maintenance.

Hitachi Soe Electric & Machinery Co., Ltd. was jointly established between Hitachi Industrial Equipment Systems Co., Ltd., Hitachi Asia Ltd. and Soe Electric & Machinery Co., Ltd.. Our business activities include the manufacturing, installation, leasing, maintenance, repair and sales of electrical transformers, switchgears and transformer-related accessories.
